THE MANAGED DIRECT ISA
KEY FEATURES / TERMS & CONDITIONS

KEY FEATURES OF THE MANAGED DIRECT ISA

The Financial Conduct Authority is the independent financial services regulator. It requires us, Intelligent Money Limited, to give you this important information to help you to decide whether The Managed Direct ISA is right for you. You should read this document carefully so that you understand what you are buying, and then keep it safe for future reference.

Managed Direct ISA aims:

The Managed Direct ISA is an investment vehicle designed to enable you to hold investments in a tax efficient way.

You can trade in our range of Portfolio(s) subject to the additional requirement that the investment can be held in a Stocks and Shares ISA under the ISA Regulations.

You can make one-off or regular payments, or subscriptions, into the ISA to take advantage of the tax privileges available.

Your commitment

You must ensure that you understand the features, benefits and risks of our Managed Direct ISA, so that you can be sure it will meet your needs and expectations.

You must agree to be bound by The Managed Direct ISA terms and conditions and pay the charges set out in those terms and conditions.

You must ensure that any regular or single subscriptions paid do not exceed ISA subscription limits.

You should view this as a medium to long term investment and should aim to keep it for at least five years.

Risks

The value of investments can fall as well as rise and is not guaranteed. You may get back less than the amount you invested.

Exercising your cancellation rights may result in you getting back less than you paid in.

Past performance must not be viewed as an indication of future performance.

You will be able to buy and sell between Portfolio(s) within The Managed Direct ISA, each of which carries a different level of risk.

The favourable tax treatment of ISAs may not be maintained in the future if UK tax law and HM Revenue & Customs practice change.

We do not provide investment advice. We do provide information about investments, but this is provided solely to enable you to make your own investment decisions and must not be treated as a recommendation. If you need advice to determine whether an investment is suitable, you must consult a suitably qualified Regulated Firm.

If the value of your ISA is small and/or you deal frequently in small amounts, dealing costs may be disproportionately high and the value of your ISA may be eroded.

You should note that the rules relating to the taxation of ISAs and of capital gains and income from investments held within them are subject to change.

Junior ISA

Eligibility

A child is an 'eligible child' for a Junior ISA if, when the Account application is made, they are: (a) under the age of 18; and (b) resident in the UK, a Crown servant, married to or in a civil partnership with a Crown servant, or a dependant of a Crown servant. The parent or guardian of the child must make the initial application but other parties are able to add funds on the child's behalf.

How much can I invest in a Junior ISA?

- This tax year (2018/19), you can invest up to £4,260 on behalf of each eligible child. This can be split as you choose between a Cash Junior ISA and a Stocks and Shares Junior ISA.
- Each child can only hold one Junior ISA of each type at any time.
- You can also transfer Junior ISAs from one provider to another without affecting the amount you can invest each tax year.

Junior ISA holder reaching the age of 18

On the Junior ISA holder's 18th birthday (or, where this is not a Working Day, on the next Working Day), provided that the holder provides us with any required documentation and satisfies the required regulatory checks, the Account will become an Stocks & Shares ISA. All future correspondence will be addressed to the Account holder, who will have full authority to place investment instructions and make withdrawals.

Questions and answers

Who can invest?

To open an Managed Direct ISA you must:

- be aged 18 or over, and
- be resident in the UK for tax purposes (subject to some exceptions relating to UK Crown servants working overseas and their spouses or civil partners), and
- not have paid into another stocks and shares ISA in the current tax year (unless you have transferred the current tax year's subscription from that ISA to us), and

- not have exceeded the overall ISA subscription limit taking into account any payments you have made to a cash ISA. You can find out the current limit from your adviser or by calling us.

Is the account right for me?

The account may be right for you if you:

- are looking for potentially higher investment returns than a typical bank or building society account,
- are looking for a tax-efficient way of investing
- want to invest in the types of assets available in the ISA account and are aware of and accept the risks associated with these assets
- can invest for at least five years

How can I invest?

You can make an application by completing an online application through our website.

There is no minimum payment and, because The Managed Direct ISA is a flexible ISA, any cash you withdraw from it may be paid back in during the same tax year. Payments in will first be treated as a repayment of a previous withdrawal in the tax year, before they start to count towards your ISA allowance.

You can:

- make regular payments monthly by direct debit
- make one-off payments by direct debit

What investments can I invest in?

The Managed Direct ISA enables you to invest in our IM Optimum Portfolios. Please refer to *Investing in the IM Optimum Portfolios* below.

How do I transfer my existing ISA to The Managed Direct ISA?

Just complete the Transfer ISA form which can be found online as part of your application.

Once we receive your completed form we will liaise with your current ISA manager to complete the transfer.

Can I transfer my ISA to another ISA manager?

Yes – you can arrange to transfer the value of your Managed Direct ISA to another ISA manager at any time.

You can do this either as a cash transfer, or where possible, by re-registering assets if the receiving provider can accept the re-registration of your assets. If you choose a cash transfer, you will not benefit from any growth during the transfer period.

What are the charges?

The Managed Direct ISA has an initial, one off, transaction fee of 1.5% on any contributions made and a total annual charge of 0.87%. This annual charge includes all costs in providing the Managed Direct ISA, including underlying investments, dealing costs, portfolio management and annual ISA management expenses. This figure is usually referred to as the Total Expense Ratio (TER) or Ongoing Charges Figure (OCF).

This 0.87% total annual charge figure does not include your Regulated Firm's service charge (as set out below).

What does my Regulated Firm receive?

- Your regulated firm charges an annual service fee for providing you with access to Managed Direct and all support, information and guidance you may require as part of this. This fee (which is capped at a maximum of 0.5%), when added to the 0.87% Intelligent Money fee (above) results in maximum total annual charges of 1.37%.

If you require any financial advice your Regulated Firm will agree advice fees separately with you.

Can I take money out of my ISA?

Yes – you can make one-off withdrawals and start or stop regular withdrawals at any time. We will not apply any penalties for taking money out of your account. Any cash you withdraw from your ISA may be paid back in during the same tax year and will not count towards your annual ISA allowance.

Can I cancel my application or close my ISA in the future?

Yes on both counts.

When we issue your account documents, we'll send you a cancellation notice and information on how to cancel your account. You can cancel your account within 14 days of receiving the cancellation notice by completing and returning the cancellation notice to us.

If you exercise your right to cancel you may not get a full refund of your original investment if the value of your Portfolio(s) being cancelled has fallen by the day we receive the completed written cancellation notice.

The Managed Direct ISA Key Features

If you do not cancel within the 14-day cancellation period, thereafter you can terminate your contract and close your Managed Direct ISA at any time by writing to us.

Once my Managed Direct ISA is open, what information will I receive from you?

Once we have set up your account we will send you confirmation that your account is open. We will send you half yearly statements and a contract note for each one-off transaction you undertake.

What happens to my account if I die?

If you die, the tax benefits of your ISA will end immediately. We will transfer the assets held in the ISA to your Investment Optimum Portfolio. When your personal representatives provide further instructions and the appropriate documentation to establish proof of death and proof of entitlement, we will sell any assets and pay the cash proceeds, less any unpaid charges, as set out in your Managed Direct ISA Agreement.

Your spouse or civil partner may be eligible to a one-off additional ISA allowance equivalent to the value of your ISA at the time of death. Please see the Agreement for more information.

Investing in the IM Optimum Portfolios

• What are the IM Optimum Portfolios?

The IM Optimum Portfolios are investment strategies offered by Intelligent Money with the underlying investment management provided on Intelligent Money's behalf by Quilter Cheviot.

We offer two target dated managed portfolios where asset allocation and underlying investments change on an ongoing basis as they move towards their dedicated target date(s) and five risk rated model portfolios.

• The target dated managed portfolios

IM Optimum Growth for Withdrawal Strategy is designed for people wanting to make a lump sum withdrawal at their selected target date as it manages down risk in the final years as you approach this date in order to protect your accumulated funds from any sudden volatility or market movements.

IM Optimum Growth for Income Strategy is designed for people wanting to take an ongoing income from their accumulated funds at their selected target date (although cash withdrawals are always available) as this strategy manages into an income portfolio in the final years as you approach this date.

• What are the advantages of target dated portfolios?

Instead of you having to switch through a series of risk rated funds as you approach a specific target date (such as retirement), our target date portfolios automatically do this for you internally in one investment. The risk management, asset allocation and underlying investments have objectives and risk profiles that change with time as your portfolio gets closer to its target date.

The target dated portfolios offered by Intelligent Money work in three year ranges and with different end asset allocations depending on whether you wish to make a cash withdrawal at your target date (where the portfolio becomes very cautious as the target date approaches) or take an income from your funds (or reinvest the income for further growth) where the portfolio will have an asset allocation which should provide a growing income level thereafter. The target dated portfolios will start with a growth objective and gradually move through a balanced objective to either cautious (IM Optimum Growth for Withdrawal Strategy) or income (IM Optimum Growth for Income Strategy) objective at the target date.

Asset allocation changes are made by the investment manager based on the time horizon to target date and the final objective of the investor. In addition tactical or short term decisions will be made based on economic and market conditions.

• What is the right target date portfolio for an investor?

This is based on your expected date of requiring access to the funds and whether capital or income will be required.

For example if (at your target date) you are likely to want to buy an annuity or take a cash withdrawal for any other purpose then this would fit with the design of IM Optimum Growth for Withdrawal Strategy.

Equally, if (at your target date) you are likely to want to take an income or reinvest this income for further capital growth this would fit with the design of IM Optimum Growth for Income Strategy. If your objectives change you are always free to switch out of one portfolio into another. You can also change your target date(s) whenever you wish.

• The risk rated model portfolios

These portfolios do not run to a target date but instead aim to achieve the optimum level of return through both natural income and capital growth at a constantly defined level of risk/reward in line with market conditions at any given time.

Our model portfolios vary in terms of risk/reward from Defensive, Cautious, Balanced, Global Growth and Growth & Income, and rebalance back to their original mandates.

• What are the advantages of the risk rated model portfolios?

The risk rated model portfolios consistently rebalance themselves into the same risk/reward mandate at all times. This is designed for people looking to achieve a constant level of risk/reward until manually amended (unlike the target dated portfolios where risk is managed down different glide paths).

• What are the risks of the IM Optimum portfolios?

The IM Optimum Portfolios are not cash deposit accounts and therefore, like all investments, carry risks. You would not get all your money back if you decide to withdraw when prices are lower than the purchase prices and the level of income you select to withdraw may cause capital loss if the income drawn is greater than the overall investment return.

Because the IM Optimum portfolios are actively managed the investment manager can make tactical decisions based on economic and market conditions therefore there is the ability to mitigate losses.

Risk is further managed by the portfolios being diversified across a large number of asset classes and underlying investments.

The value of investments and the income from them can fall as well as rise and you may not get back what you invested.

• Where do the IM Optimum portfolios invest?

The portfolios are multi asset to ensure diversification and will typically include fixed interest, UK and international equities, and alternative asset such as commercial property. The asset allocation is implemented using passively managed funds.

• What are the Charges of the IM Optimum Portfolios?

All portfolios have a 1.5% initial charge and a 0.87% annual charge. These charges are fully inclusive of ALL costs and expenses related to the running of the portfolios.

• Who provides the Discretionary Investment Management for the IM Optimum Portfolios?

Quilter Cheviot is the investment manager appointed by Intelligent Money to manage the IM Optimum Portfolios and your money is held in custody by Quilter Cheviot.

Quilter Cheviot is one of the UK's largest discretionary investment management firms and can trace its heritage to 1771. It currently manages over £15 billion in assets for over 40,000 clients. Quilter Cheviot's parent company is Old Mutual, a FTSE 100 listed company with more than 16 million customers and nearly £300 billion of assets under management.

All dealing and investment transactions are undertaken by Quilter Cheviot in line with the investment strategy designed by Intelligent Money in consultation with Quilter Cheviot.

• Do I become a client of Quilter Cheviot?

No. You become a client of Intelligent Money and Intelligent Money utilises the services of Quilter Cheviot in the provision of the IM Optimum Portfolios.

If we do not have telephone contact details for you or your Regulated Firm, or we are unable to reach you or your Regulated Firm, we'll not be able to complete the instruction and we'll return the instruction to your postal address.

4.6. We do not provide advice in relation to our Portfolios and do not accept any responsibility for the suitability or performance of the portfolios. Suitability is determined by your Regulated Firm or yourself (if you are a Managed Direct client).

4.7. Your instructions to us to buy or sell on your behalf will be transacted directly with the Discretionary Investment Manager in accordance with our Order Execution Policy and you agree that the terms of our Order Execution Policy will apply when we are executing instructions on your behalf.

4.8. Where we receive a One-off Payment, the Payment less any charges described in Clause 6 will be invested in accordance with your chosen Portfolio(s).

4.9. Where we receive a Regular Payment instruction, such receipts will be made at the next available Valuation Point, provided you have sufficient cleared cash in your Managed Direct ISA and after deduction of any charges described in Clause 6.

4.10. Regular Payments (including any instruction to increase the value of Regular Payments) will be invested in accordance with your chosen Portfolio(s).

4.11. You acknowledge and agree that Intelligent Money has sole discretion as to the Discretionary Investment Manager(s) it appoints and can change the Discretionary Investment Manager of the IM Optimum Portfolios without notice or your consent.

5. Income and dividends derived from your Managed Direct ISA

5.1. Dividends, income distributions and interest on bank deposits will be collected and retained within The Managed Direct ISA on your behalf and will be reinvested by us unless you direct otherwise.

5.2. All dividends will be taken in cash. Taxation that can be reclaimed is governed by the ISA Regulations as amended from time to time.

6. Charges payable on The Managed Direct ISA

6.1. For information on all of the charges, please see the Key Features Document.

6.2. Where we do not charge VAT on services that we understand to be VAT exempt, we reserve the right to collect VAT retrospectively should HMRC deem that VAT should have been payable on any such services.

7. Client money and insolvency

7.1. Any money recorded to Managed Direct ISA will be held as Client Money. You will not be entitled to any interest earned on Client Money unless we tell you otherwise.

7.2. If the bank where your money is held becomes insolvent, we may or will be treated as an unsecured creditor by the bank and, subject to the insolvency laws of the UK and any other relevant jurisdiction, we should have

The Managed Direct ISA Terms & Conditions

a claim on behalf of our clients. If however the bank cannot repay all of its creditors, any shortfall may have to be shared pro rata between them. You may also be entitled as an individual to claim from the Financial Services Compensation Scheme up to £75,000 in respect of the total cash you hold directly and indirectly within the failed bank.

7.3. The Discretionary Investment Manager is responsible for looking after the assets of the Portfolio(s) into which your ISA account is invested and appoints a Custodian to do this for them. Most of these assets are held in the name of a Nominee or Nominees on account for the relevant Portfolio. The Nominee(s) ensure(s) that none of the assets of the Fund can be transferred into the name of the Discretionary Investment Manager. If the Custodian becomes insolvent, the Discretionary Investment Manager would appoint a new Custodian and the custody of the assets would change accordingly. If the Discretionary Investment Manager becomes insolvent, we would arrange for the appointment of a replacement authorised investment manager.

8. Making Withdrawals from your Account

8.1. You may make full or partial withdrawals from your Account by sending written instructions to the address in Clause 13 or instructions by any other method as agreed with us. Partial withdrawals can be made provided that the value remaining in your Account after a withdrawal is at least £1000. If the value remaining in your Account falls below £1000 as a result of the withdrawal instruction, we reserve the right to close the Account in accordance with Clause 9 and make a full cash withdrawal of your Account. Where you request a full withdrawal from an Account with Regular Payments, we will also, unless otherwise instructed, stop taking the Regular Payments.

8.2. We may delay the processing of an instruction to make withdrawals from your account while we check your instruction to ensure that the instruction has come from you. Once your instruction has been received, it cannot subsequently be changed or cancelled.

8.3. The Managed Direct ISA is a flexible ISA. This means that you can replace, in whole or in part, cash you withdraw, without the replacement counting towards your annual subscription limit. This flexibility is offered only in respect of any cash held in The Managed Direct ISA. Any withdrawals made will be deemed to be firstly of current year subscriptions, and secondly of previous year funds. Replacements will be deemed to be firstly of previous year funds, and secondly of current year subscriptions.

8.4. We will process your withdrawal instructions on the next Valuation Point unless you tell us to sell your investments in your Portfolio(s) at a later date, however this must take place within 30 days of us receiving your withdrawal instructions.

8.5. The sale proceeds of your withdrawal instruction will be transferred to a Client Money account when we have received these from the trustee or Depositary. The money will be retained in the Client Money account until we are able to release the payment to you.

9. Cancelling and closing your Managed Direct ISA

9.1. You have the right to change your mind about your investment and can cancel your application or ISA/APS Transfer in accordance with this Clause 9 by returning a completed written cancellation notice (which we will provide to you following receipt of your application) to us at the address given in Clause 13.

9.2. For applications to open an Managed Direct ISA or to make ISA/APS Transfers, you have 14 calendar days from the day you receive the cancellation notice to return the completed written cancellation notice to us at the address in Clause 13.

9.3. If you exercise your right to cancel you may not get a full refund of your original investment if the value of investment being cancelled has fallen by the day we receive the completed written cancellation notice.

9.4. If you exercise the right to cancel an ISA Transfer, you will permanently lose your ISA allowance relating to that ISA Transfer, unless you request in the cancellation notice that the proceeds are transferred to your previous ISA manager (provided that the previous ISA manager is willing to accept them) or you request a transfer to another ISA manager in accordance with Clause 3.12 to 3.15. If you do not tell us in the cancellation notice which of these options you want to choose then your ISA will be closed and the proceeds of your ISA will be returned to you.

9.5. You may close your Account at any time. We do not charge for closing an account but you may get back less than you invested. If you choose to close your account, you will make a full withdrawal as described in clause 8.

9.6. If any of the circumstances set out in clause 9.7 exist, we may need to close your Account. If we do need to close your Account we will give you at least 30 days' written notice of the closure.

9.7. The circumstance in which we may need to close your Account are:

9.7.1. if you materially or continually fail to meet the terms of these Conditions or, if applicable, the Regulations;

9.7.2. where two successive Regular Payments fail to be collected because of a fault on your part and the total value of your Account at that time is less than £500;

9.7.3. if a Force Majeure Event occurs;

9.7.4. if there changes to any laws or regulations (which are applicable to the management of your Account) which mean that it is no longer feasible to continue to operate your Account; and

9.7.5. if we are in breach of any laws or regulations (which are applicable to the management of your Account) and this breach cannot be rectified.

9.8. We'll notify you if, by reason of any failure to satisfy the provisions of the ISA Regulations your ISA/APS has or will become void. If your ISA/APS is identified as void (which means it is no longer exempt from tax) under the Regulations, unless HMRC allows the ISA/APS to be repaired your investments will be moved into an Investment Optimum Portfolio and the tax efficient status will be removed. The terms and conditions of the relevant Investment Optimum Portfolio will apply to you.

10. Information on your Account

10.1. We will send you a contract note or other confirmation after each One-off Payment is invested. The contract note will show the dealing date, the execution venue, the amount and the value of the investment of the transaction. Information about each purchase made by Regular Payments will be shown on either your annual statement or within a consolidated contract note sent that will be six months after your annual statement.

10.2. We will send you a statement once a year showing all the transactions in your Account since the last statement. This will include a valuation of your Account. This statement will not include any performance information on the Fund(s). Details of the exact statement dates are available on the statement or from us on request. You can request a client money statement and/or a client asset statement at any time. Please see Clause 13 for details and how to contact us.

11. Procedure following bankruptcy or death

11.1. On notification of your bankruptcy, your Managed Direct ISA and its tax efficient status will cease in accordance with the ISA Regulations and no further subscriptions will be accepted. Investments will be put into the beneficial ownership of the appointed trustee or official receiver. Any tax reclaimed on income received after the date on which the appointed trustee or official receiver was appointed will be returned to HMRC.

11.2. The tax efficient status of your Managed Direct ISA will cease on your death in accordance with the ISA Regulations and no further subscriptions will be accepted. The tax benefits of an ISA will not apply to any interest or gains due following the date of death but there is no effect on the tax benefits received on your ISA before the date of death. However, the money in your Account will remain invested in the investments within your Portfolio(s) until your personal representatives provide further instructions and the appropriate documentation to establish proof of death and proof of entitlement.

11.3. If any tax credits were added to your Portfolio(s) after the date of your death, a sum equal to these credits will be deducted from the Account and paid to HMRC. Your personal representatives will receive the cash value of your Portfolio(s) subject to that deduction.

11.4. This Agreement will be binding on your personal representatives until we are able to release the payments due on your Account to them. Any payments to be made to your personal representatives will be made under the terms of this Agreement.

12. Payments made following a transfer, withdrawal or closure

12.1. When you make a cash withdrawal from your Account, you make a cash transfer to another ISA manager, your Account is closed or your Account is closed following bankruptcy or death, for your protection the withdrawal payments will be paid in Sterling from a Client Money Account to your Nominated Bank Account, your new ISA manager, the appointed trustee / official receiver or your personal representatives as appropriate. Payment to your Nominated Bank Account, your new ISA manager, the appointed trustee / official receiver or your personal representatives, as appropriate, will mean that we are no longer liable in relation to the payment.

12.2. Payments will usually be sent within 10 business days of the later of:

12.2.1. the date the assets were sold; or

12.2.2. receiving all required information to verify your identity, validity of instruction and/or account details.

12.3. Where we have not been provided with sufficient payment details, we will make reasonable efforts to contact the person to whom payment is to be made in order to confirm the payment details before any payment is made. Whilst we are waiting for any such query to be resolved, the money will be held in a Client Money Account and no interest will be paid.

The Managed Direct ISA Terms & Conditions

12.4. No interest will be earned between the date assets are sold and the date any payment clears into your Nominated Bank Account or is received by the New ISA manager or such other person to whom payment is to be made. We may deduct any outstanding fees, charges and expenses from the amount that is withdrawn.

CLIENT CUSTODY TERMS

Client Custody

Background

1.1 Under the Terms and Conditions, you consent to Intelligent Money (the "Investment Services Provider") appointing Seccl Custody Limited ("SCL") as the Custodian to provide:

- Investment Accounts subject to the Terms and Conditions
- cash payment services, asset price and information data
- client money and asset reconciliation in accordance with the Client Asset Sourcebook ("CASS") of the FCA Rules

1.2 SCL is authorised and regulated by the Financial Conduct Authority of 12 Endeavour Square, London, E20 1JN ("FCA"), registration number 793200, to arrange, safeguard and administer custody of cash and Assets.

1.3 SCL is registered in England, registration number 10430958. To contact SCL, write to 5-7 Pulteney Mews, Bath, BA2 4DS.

1.4 Terms not defined in these Custody Terms have the meaning set out in the Terms and Conditions or the FCA Rules.

System Operation – Applying and Transacting

2.1 The Custodian is authorised to ensure that the custody of your cash and Assets are managed compliantly in accordance with the applicable regulations.

2.2 Any deposits or withdrawals of cash or instructions to buy, sell or transfer investments, through the Investment Services Provider, will be recorded and managed in accordance with CASS. SCL will ensure any investment instructions are placed in accordance with our Order Execution Policy at Schedule 2.

2.3 All client cash will be held with an approved Bank or CRD Credit Institution in a designated Client Money statutory trust account. The account is held separately from any monies held by either SCL or the Investment Services Provider.

2.4 Client Assets will be registered to Digital Custody Nominees Limited ("Nominee") which is a wholly owned subsidiary company of SCL. This arrangement safeguards and segregates your Assets from those of SCL. SCL accepts the same level of responsibility under CASS to you for the Nominee.

2.5 Your cash and Assets will be held in a pooled arrangement. This means that SCL will have records that identify your individual ownership and entitlement to Assets. For operational and servicing purposes it is more efficient for SCL to administer your investments on a pooled basis.

2.6 SCL will have instances where we need to appoint third-party nominees or sub-custodians to maintain the custody services offered. By agreeing to these Custody Terms, you authorise SCL to do so.

2.7 SCL will use reasonable care and due diligence to perform its custodian duties. Your Assets will be held separately SCL's Assets, if SCL goes out of business. If any shortfall of Assets arises as a result of SCL's or a third-party nominee or sub-custodian's insolvency, these would be shared on a proportionate basis with affected clients.

2.8 Where SCL receive income from your investments through dividend payments, fund distributions and corporate actions, SCL will reconcile and credit these to your Accounts.

2.9 As corporate action events arise, SCL will inform you or the Investment Services Provider where actions are applicable to your Assets.

2.10 SCL will facilitate the transfer of cash and Assets in accordance with client instructions and the Investment Services Provider's Terms and Conditions.

Cash Processes

3.1 Any client deposits or income will be credited to your respective Account once identified and reconciled with the date SCL received monies.

3.2 SCL will not pay any interest on cash held in Client Money accounts. You will be notified by Investment Services Provider of any changes if our policy on client interest change.

Settlement

4.1 Settlement of Client Assets will accord with market best practice. Where Assets are traded in Exchange Traded Instruments "ETIs", SCL will normally operate on a delivery-versus-payment "DVP" settlement process. By agreeing to the Custody Terms, you permit SCL to apply DVP transaction exemption as detailed in the FCA Rules up until any delivery of Assets (purchases) or cash (sales) passes the third working day, whereby SCL will follow Client Money and asset reconciliations in accordance with CASS.

4.2 For model portfolio and switch orders, we will place a buy order after the sell instruction is confirmed by the fund manager or the market. We may delay the purchase of ETI orders if the intended settlement date on the sale of a fund, is a day or longer than that of the ETI order.

Asset Reconciliations

5.1 SCL will reconcile Client Money and Assets in accordance with CASS.

5.2 Client Money will be reconciled on a Business Day basis and Assets will be reconciled externally according to their type and registration.

Liens

6.1 We reserve the right to enforce the right of liens over the Assets under the Terms and Conditions.

Communications

7.1 All communication with you will be in English through the online message portal provided by the Investment Services Provider.

7.2 SCL will provide quarterly valuation statements, annual consolidated tax vouchers for Investment Accounts and contract notes, which will detail the buys or sells instructed on your Account. It is your responsibility to sign-in and read this information and it is important you notify the Investment Services Provider promptly of any errors or omissions in respect of the accuracy of these documents.

For all other communications, you can contact SCL directly using the methods in these Custody Terms.

Complaints

8.1 SCL has its own complaints policy. If you want to complain, please contact the Investment Services Provider first. If you do not think this is appropriate or the Investment Services Provider is unable to meet its obligations, please contact SCL by email at complaints@seccl.tech or by post to The Compliance Officer, 5-7 Pulteney Mews, Bath, BA2 4DS.

8.2 If we do not resolve your complaint satisfactorily or fail to resolve it within eight weeks of receiving your complaint, you can also direct your complaint to the Financial Ombudsman Service at Exchange Tower, London E14 9SR. Telephone: 0800 023 4567 or 0300 123 9 123; email: complaint.info@financial-ombudsman.org.uk; and website: www.financial-ombudsman.org.uk.

Remuneration

9.1 The Investment Services Provider pays SCL for Custody services, you do not pay SCL any additional fees for the services SCL provide.

Conflicts of Interest

10.1 SCL maintain a Conflicts of Interest policy independent of the Investment Services Provider. It is available by contacting the Investment Services Provider or SCL.

Force Majeure Event

11.1 To the extent permissible under applicable law, neither you nor SCL shall be responsible for any loss or damage suffered by the other party by reason of any natural and unavoidable catastrophes that interrupt the expected course of events and restrict you or SCL from fulfilling obligations under these Custody Terms ("Force Majeure Event"). If such loss, damage or failure is, or may occur, due to a Force Majeure Event, each party will use reasonable endeavours to minimise the effects and will notify the other party of a Force Majeure Event or potential Force Majeure Event as soon as possible.

11.2 If a party is prevented from performing all or substantially all of its obligations under the Agreement by a Force Majeure Event for a continuous period of 30 days or more either party shall be entitled to terminate this Agreement immediately by giving written notice to that effect to the other Party.

Data Protection

12.1 In acting as your Custodian SCL, will have access to the data you provide on application to the Investment Services Provider service. In the Service Agreement between the Investment Services Provider and SCL both parties are joint Data Controllers and have independent Privacy Policies which summarise how we will use your personal information and with whom we share it.

12.2 SCL will use your details for regulatory reporting purposes and will not use or share your information for marketing purposes.

FSCS

13.1 The Investment Services Provider is covered by the Financial Services Compensation Scheme ("FSCS"). If the Investment Services Provider ceases trading and cannot meet our obligations you may be entitled to compensation from the scheme up to a maximum of £50,000 (or such other value covered from time to time by the FSCS) for investment claims.

The Managed Direct ISA Terms & Conditions

13.2 Further information about the compensation arrangements is available from the FSCS directly.

- Website: www.fscs.co.uk Telephone: 0800 678 1100 / 020 7741 4100
- Address: Financial Services Compensation Scheme, PO Box 300, Mitcheldean, GL17 1DY

Use of Third Parties

14.1 To provide custody services SCL will use the services of third-party service providers.

14.2 Examples include the provision of; Data and price feeds of Assets, the execution of trading instructions, clearing and settlement services, banking services, client verification, regulatory reporting, card payment services and the facilitation of automated transfer instructions.

14.3 Where services are provided by a third-party, SCL will use reasonable care and due diligence in selecting them and monitoring their performance. Except for clause 2.4, SCL does not guarantee proper performance by the third-party and will not itself be responsible if a third-party provider fails to meet its obligations. This means that should the third-party default or becomes insolvent, you may lose some or all of your Assets and will not necessarily be entitled to compensation from SCL. Including, in circumstances where it is not possible under the relevant national law and the registration under clause 2.6 to identify the Client Assets from the proprietary Assets of the third-party firm

Termination

15.1 SCL may terminate these Terms at any time by giving you 30 days' written notice (subject to applicable law and regulatory requirements). There is no minimum duration of these Terms.

15.2 SCL may also terminate these Terms with immediate effect by written notice if required to do so for legal or regulatory reasons or on instructions from the Investment Services Provider.

15.3 In this event, the Investment Services Provider will instruct SCL where to transfer the Client Assets and Client Money. If the Investment Services Provider does not do so promptly, or if the Investment Services Provider no longer represents you, then you will on request give the relevant instruction. The Custodian will transfer Client Assets and Client Money in accordance with the relevant instruction or, if it is unable to obtain instructions, it will transfer them directly to you. These Terms will continue to apply until such transfer of the Client Assets and the Client Money is complete.

15.4 You can terminate these Custody Terms at any time by closing your Accounts by the withdrawal of cash or transfer of Assets.

Assignment and Severability

16.1 You may not assign your rights or your obligations under these Custody Terms to anyone.

16.2 SCL may, by giving at least 30 days' written notice to you, transfer its rights and obligations under these Custody Terms to another person that is appropriately authorised by the FCA. You authorise us to take such action we reasonably consider necessary to appoint the replacement. If you do not agree to the transfer, you can withdraw, redeem or transfer your Account as set out in the Terms and Conditions.

16.3 If any part of this agreement is declared unenforceable or invalid, the remainder will continue to be valid and enforceable.

Notices of Change/Variations

17.1 We may change these Custody Terms in whole or in part. We can do this for the reasons stated in the Terms and Conditions.

Liability

19.1 SCL will act with all reasonable skill, care and diligence in acting as your Custodian. SCL will be liable to you for any direct loss that is the result of negligence or failure by SCL to account for Assets in Accounts or through a breach of FCA Rules, unless any such failure is the result of the acts or omissions of you or the Investment Services Provider.

19.2 Nothing in these Custody Terms shall be read as excluding or restricting any liability we may have for death or personal injury

19.3 SCL will not be liable for the following:

- loss of business, goodwill, opportunity or profit; or
- any special, consequential or indirect loss whatsoever.
- as a result of us doing (or not doing) anything in reliance upon an instruction given (or which we reasonably believe to have been given) by you;

- from the performance of any Assets and investments;
- from any tax liabilities or charges that are incurred in relation to your Account and/or the Assets held within it; or
- from any instruction sent by you that is not received by us, unless the failed receipt is due to a fault or omission on our part.
